Hospice of Okeechobee and family of Jan Casbeer,

The passing of Jan Casbeer will have a solemn, everlasting effect on all she came in contact with in her short time here on earth. Her effervescent spirit, faith in God, joy of life, and commitment to her family and the court reporting profession was a testament to her renowned character.

Even though there's no amount that could ever truly reflect our affection and admiration for her, please accept our donation to your organization in her loving memory.

Thank you,

Briana Nesbit
